Re: Refund Request

Att: Latrice Sims

My name is Patty Cook and I work for Lucent Technologies in the Intellectual Property Group located in Holmdel, NJ.

Each month I reconcile the PTO statement and make sure that it gets replenished. On the April 2005 Statement I noticed that there was a charge that should not have hit our account. The first is for 09990965 Liu 4-4-8 in the amount of 600.00. This charge hit on April 15 and the code is 1201. I did request back up from the PTO and they sent me the back up that they had which was a "No Additional Fee Required" for this patent number.

I will need to have the credit to go to Account 13325, Lucent Technologies. Total credit should be \$600. I have attached the April statement and have underlined the charge that is in question and have attached the "No Additional Fee Required". We have gone back to the file wrappers and nothing in the folders warrant the charge.

If you have any questions or need additional information please feel free to contact me.
